## STEVE BEATTIE

"I would hope that there would be someone out there for me if I ever needed blood, so I want to be there for someone too."

*Steve Beattie • Blood donor and*

### *Steve Beattie* HIS STORY

Steve began donating in high school and continued through college as a "good thing to do." Since, he has moved from whole blood donations to Platelet Apheresis, to Plasma, and then to Double Red Cell donations. He's also listed on the National Marrow Registry. As if that weren't enough, Steve dedicates many hours of his time to the filming of public service announcements so the Red Cross can get out the message of the ongoing need for blood.

# Our Local Turkey Growers

Who are the brave souls who grow those juicy birds?

**DAVE AND JUDY ADAMS of Adams Turkey Farm** — many, many years ago when we first read "Who let it be selling turkeys at Thanksgiving?" Dave and Judy were there for us. And now when we have been selling their outstanding birds, in fact, part of my Thanksgiving ritual is to drive to the Adams Farm and pick up the birds for the store. Dave and Judy have been raising turkeys since 1964, and continue to raise turkeys, a Christmas tree grows with our business. When we're buying maple syrup, pasteurized milk and even those sweetest organic premium eggs, you also at the moment, they're multi-aged in our hearts and good food.

The Adams pay close attention to the details when hand raising their small flocks of turkeys. There are some happy birds, raised in open-air barns, fed all natural feed, and even given a very special attention to antibiotics. There's a pioneering history right at the farm where each turkey is inspected for quality and freshness. This is such a great family-run operation and the Adams are truly great people.

And the turkeys are absolutely fantastic!

**JOHN AND CAROLYN PRIMER raised Merry Knoll Turkeys** — in 1992. That year their daughter gave 50 turkeys for us at 14 people, and they discovered that the birds raised for superior to ones they'd purchased on the Internet. John gives a few more each year to give to friends to use if they injured, and now they have Merry Knoll Turkeys.

The Primers and parents that look care there mean special combination of quality and natural in the feed and even use antibiotic. Merry Knoll will guarantee 12-200 Grade A turkeys for Thanksgiving the year. All grown up in a free-range environment.

We sell Merry Knoll to close your mind. They started with a flock of 100 birds per week and presently raise about 1500 per week.

**PAUL AND FRANCES TUCKER of Vermont Farm** — a true family farm with four families living on it. Paul and Frances have been guided by their 11-year children in the past so you can see how busy they are in Vermont where they board horses and provide training and lessons and raise dairy replacement heifers for a local dairy farm. And of course, they are busy raising turkeys that are free-range, hormone and antibiotic free, and guaranteed right and in.

## IT'S TURKEY TIME!

Just as — we get the best birds around.  
When calling or your order please specify:

**ADAMS FAMILY FARM.....\$2.19 LB**  
ORDER NO LATER THAN NOV 18

**MERRY KNOLL FARM.....\$2.19 LB**  
ORDER NO LATER THAN NOV 18

**VERMONT FARM.....\$2.19 LB**  
ORDER NO LATER THAN NOV 18

You'll be asked how many birds you want, what size, which farm, your name, phone and your credit card number for a deposit. You will also be told when your bird needs to be picked up.

Please note, our growers can't guarantee specific sizes, but we will do our best to come close to the size that you specify.

### TURKEY SIZING MADE SIMPLE

For those of you who never know what size bird to order:

1 — 4 people, 10 — 14 pound turkey  
4 — 6 people, 16 — 20 pound turkey

(How much will be lower before next)

Multiply weight by .11  
They usually will be about one including wings and drumsticks. Multiply by .11

and of course, we'll wash & pluck them.

## Please Help Vermont's Hungry Families!

### THE VERMONT FOOD BANK

Please remember to give generously to the local agencies that work SO hard at your help to provide food to hungry Vermonters. **Healthy Living** works with both the Vermont Food Bank and the Burlington Food Shelf and gives close to a ton of food a month to these two amazing organizations. You can give a lot more!

We've provided baskets and boxes of our registers for your non-perishable donations.

"After trying multiple advertising mediums, Seven Days quickly emerged as the strongest by far. Everyone who calls, as often as they do, how they heard about us—98% are cooperative, say they saw us ad in Seven Days. In addition to our retail side, the purpose is our woodworking class. Before, our logo or slogan we already had in other areas to differentiate ourselves."

Everyone on the ad team is prompt, professional, reasonable and goes out of their way to meet the needs of my unique business even when they are under a tight deadline.

Seven Days is without a doubt the most cost-effective method to introduce a new business to community members living in northwestern and central Vermont. Seven Days...it works."

## SHE'S ALL THAT

There's nothing subtle about those badger eyes, nor does she settle for any ordinary camera. Here's the guide to her show, "Photography" at the Chelsea Fine Art Library this month requires a stay-at-home plan for viewing others, such as "The Secret Lives of Trees" (pictured), an impossible manual

media piece that combines painting and photography. Design is an artist's design; she's a photographer and not a painter, looking toward technology at times.

The calendar says winter is the way...but now is the perfect time to start planning 2008 springtime transplants. From 1999, a survey of professional nurseries in 17 states left us with a list of 10, counting the spring with central interest:

- Plant your seedlings in January/February/April
- Watch your money grow
- When your transplants ready for spring introduction

### Are you a smoker?

If so and you smoke at least 10 cigarettes a day you may be eligible to participate in a \$75K research study aimed at preventing panic disorder. If you are eligible and participate in the first part of the study you are compensated \$30. The first part of the study consists of taking out questionnaires for about 10 minutes and a group session that lasts about 8 hours. If you participate in the second part of the study, which consists of completing more questionnaires and an interview (which takes 90 minutes) you will be compensated another \$300. If this sounds good to you, please go to [www.msu.edu/~personality/panicdisorder.html](http://www.msu.edu/~personality/panicdisorder.html) and complete the forms you find there.

WFOE IS THE FIRST STEP TOWARD A NEW WAY OF LIFE

ENVIRONMENT

**GIRL GROUP**

The all-female, a cappella ensemble found its way to the radio just as music from the first camp — it wasn't quite the women, credited for "Gals" as they sang. After 20 years, the group's repertoire now includes jazz blues and top 40, with an African American gospel hymns, spirituals and blues. And the group has changed its sound, too, embracing an a cappella

**“My incentives speak for themselves.”**

**T**his month, I'm offering \$4,000 rebates on '04 Sunfires, \$3,900 on Grand Am's, \$3,000 on Arctics. Or choose zero percent financing for 60 months on any '04 or '05. Sound pretty good?

\*And listen to this. You can do a free three-month trial of the XM satellite radio everyone's talking about. It gets a hundred channels, no static, no driving out of range.

"If you have any questions, my door is always open."
